Docket No. M'PS 11-83D2D1
Serial No. 08/478,153Remarks

A Notice of Non-Compliant Amendment was mailed on April 21, 2006 asserting that Applicants' Amendment filed on January 10, 2006, failed to provide a complete listing of the status of the claims. By this Supplemental Amendment, Applicants present the complete status, showing that claims 1-19 had previously been cancelled. Upon entry of this amendment claims 24-46 will be before the Examiner.

In view of the above amendments, and the amendments and remarks submitted on January 10, 2006, Applicants respectfully request that the suspension of prosecution of this application be lifted. In addition, Applicants are currently preparing a Petition to Correct Inventorship which has been necessitated by these amendments, and which will be filed as soon as all necessary documents have been executed.

The Commissioner is hereby authorized to charge to Deposit Account 19-0065 any fees under 37 CFR 1.16 or 1.17 as required by this paper.

Applicants invite the Examiner to call the undersigned if clarification is needed on any of this amendment, or if the Examiner believes that a telephone interview would expedite prosecution of the subject application to completion.

Respectfully submitted,

Jeff Lloyd
